

## THE OLD GAME.

The Republicans to Have New York at Any Cost, And Even Indiana.

A Wail from W. Pitt Kellogg, of Louisiana.

THIS MORNING.

UNKNOWN ADVERTISER.

Special to the Chronicle:

New York.—The following call has just been issued:

"Headquarters Cleveland and Hendricks Business Men's Campaign Club Committee, Nov. 6.—Cleveland and Hendricks have been elected President and Vice President of the United States, but evidence accumulates that a scheme exists to defeat the will of the people by fraudulent count and fraudulent returns. The citizens of New York who demand an honest count and honest returns are wanted to assemble on Wall street, in front of Washington's statue, at half-past 3 o'clock Friday afternoon, to take such action as the emergency shall require."

Albany, Nov. 6.—By official returns reported from every county Cleveland and Hendricks have carried New York by a safe and sure majority. No machinations or false claims or pretended doubts of Mr. Blaine's managers can change this result. The friends of honest government and honest elections can be everywhere assured that the Democratic State Board of Canvassers will see that the true vote is correctly declared. Signed, Daniel Manning.

Special to the Chronicle:

New York.—Associated Press dispatches from the missing precincts indicate a plurality for Blaine in the State of 617, with some fifty districts to be heard from. The Democratic committee will not admit this, and claim, on the other hand, that the estimates show a small plurality for Cleveland. In its last edition, to-night the Mail and Express claims Blaine has carried the State by a plurality of 51. The following comes from Republican headquarters: The Republican National Committee rejects that the returns now received warrant it in announcing the triumphs of election of Blaine and Logan. The Republicans have carried every Northern State except New Jersey and Connecticut. Virginia seems also to have given a majority for the Republican cause and ticket, and there is a strong probability that West Virginia has also, while other Southern States are still in doubt. The Northern States alone, however, give to Blaine and Logan 225 electoral votes and insure their election. In New York attempts to tamper with the returns have already been detected. The actual vote cast in New York City and Kings county, and 1,852 election precincts gave at the utmost only 1,482 plurality to Grover Cleveland, while 168 precincts not yet heard from gave 2,113 plurality for Garfield. There is, therefore, no ground to doubt that the highest vote of the State has been given to the Republican candidate, and, although the defeated candidate for the Presidency is the head of the election machinery in this State and the Democratic party, which has notoriously been the party of fraud in elections for years, will not be permitted to thwart the will of the people. The National Republican Committee calls on the chairman and the individual members of all county committees to take the promptest and most stringent means to protect the ballot. The Republican candidates have been honestly elected beyond a question, and any attempt to cheat the people and defeat their will, thus expressed at the polls, must be sternly exposed and resisted by every law-respecting citizen.

Signed, Samuel Fessenden, Secretary, Special to the Chronicle:

Cincinnati.—The streets about the Enquirer office have been a perfect pandemonium all night, and the excitement over the conflicting reports is intense. Dispatches from Philadelphia and Pittsburgh report that the police are having some trouble preserving the peace, owing to the excited condition of the people.

Special to the Chronicle:

Lansing, Mich.—Governor Bagle concedes the Republicans 1,000 majority in this State.

Special to the Chronicle:

Augusta, Maine.—The reported illness of Blaine is entirely unfounded.

Special to the Chronicle:

New York.—A conference was held with closed doors late to-night by delegates from the various Cleveland and Hendricks Business Men's Clubs, and it was resolved to postpone the meeting called for to-morrow. A committee of 11 was appointed, with power to act, to take what action may seem proper.

Special to the Chronicle:

Cincinnati, O., Nov. 7, 2 a. m.—The Commercial-Gazette, Republican, has just issued an early morning edition, with headlines as follows: "Still ahead. Blaine's plurality 1,078, and 18 precincts to be heard from. His election claimed by the national committee. Democrats already howling about fraud, but give no specifications. Intense excitement in New York City. Blaine gaining in Indiana, but the State still in doubt. Michigan and Wisconsin surely Republican. President claiming everything."

Special to the Chronicle:

Washington, D. C., Nov. 6.—In reply to a telegram asking for information respecting the election in Louisiana, the following has been received: "New Orleans, Nov. 6. The Democrats claim about 600 majority against Mr. The

returns from Iberia parish were held back to increase the vote against me if necessary. They had two separate boxes, and the counting out and the stuffing in the Congressional box was simply infamous. Bull-dozing was resorted to both St. Mary's and Iberia parish. In the latter nearly all the colored leaders were killed and our white leaders imprisoned. Bribing, intimidation, ballot box stuffing and murder equalled anything ever before known in the history of this State. The proof is open, palpable and abundant. W. Pitt Kellogg."

Washington, D. C.—In an address to-night Hon. R. T. Merrick, one of Tilden's counsel, before the electoral Commission warned the republicans against repeating the frauds of 1876 as foreshadowed in the address of the republican committee to-night. He concluded by saying Cleveland would be inaugurated, "peaceful if he could, but forcibly if he must."

Chicago, Ill., Nov. 6.—The following has just been received: "Indianapolis, Nov. 6, 11 p. m. To the united press at this hour 57 counties have reported and show a republican gain of 4,508 on the vote of 1882, when the democrats carried the state by 9,604. If this ratio is maintained the state will be democratic by 3,000. Signed, W. R. Hovey, Publisher Times."

Special to the Chronicle:

Boston, Nov. 6.—A crowd of two or three thousand surrounded the newspaper offices to-night. The demonstration, as favorable or unfavorable bulletins appeared, was very passionate. The Journal issued an edition and bulletins declaring Blaine elected. Several young men began to burn copies of the paper in the street in front of the Journal office and six of them were arrested for violating the city ordinance forbidding bonfires. One other was arrested for resisting the officers. The Cleveland men soon brought out a picture of their candidate. The Blaine men charged on this and tore it to pieces. Soon after a rag baby appeared in front of the Journal office, suspended by a cord. The Cleveland men made a rush for this, but were driven back by the police, and the holders of the offensive article took refuge in the Journal office, and it looked for some time as if a riot was imminent.

Special to the Chronicle:

New York.—The following is taken from the Mail and Express, 9 o'clock edition: "The following shows the vote as it now stands, with 39 districts to hear from: For Blaine, 555,331; Cleveland, 554,359; Total, 1,110,290. Blaine's plurality is 972. The outlook from Indiana is favorable for Blaine. The claims made by the Democrats are based on dispatches received from Grover Cleveland and other leaders of the party in Indiana. Half the vote of the State has not yet been heard from. 900 precincts show a republican gain of 4,807 over the vote of 1881, when the state went Democratic by 8,000. The Republicans claim that the districts to hear from are Republican and that a reasonable increase of gain will give Blaine a plurality of 2,000."

New York.—The following corrections have been made in previous footings on account of the reception of official figures from Cayuga, Tompkins, Herkimer, Oneida and Ontario: Republican gain, 73; Democratic gain, 191; total Republican vote, with 41 districts to hear from, 554,932; Democratic vote, 554,600; Republican plurality, 332. The Republican committee has issued an address claiming New York State for Blaine and Logan.

The revision of these returns by comparison of the majorities reported with the full official vote of Erie and Ulster counties, and the correction of Grover Cleveland's tally, which in Richmond county, and just discovered, makes the figures: Blaine, 554,739; Cleveland, 554,739; Blaine's plurality, 200.

Returns from all but 13 precincts in New York give Blaine a plurality of 988.

New York, midnight.—The official returns of Albany county reduces the Republican plurality by 328, which now leaves it 660, with 12 districts in the State to hear from.

Fifty-nine counties complete in Indiana give a Republican gain of 17,165; Democratic gain, 11,882; net Republican gain, 5,283.

Wheeling, W. Va.—Latest returns from this State are very meagre. The Secretary of the State Republican Committee concedes the State by 1,000, a Republican gain of over 4,000.

Nashville, Tenn.—Fifty-five counties heard from, including eight in East Tennessee, give Blaine, Democrat, for Governor, 17,000 majority, which is a loss of 10,000 from his vote in the same counties two years ago. If this ratio continues, Reid, Republican, will have a majority, but the counties now being heard from do not show the same ratio, but give gains for Blaine, leading to the belief that his majority in the State will be 5,000 or 6,000. The Democratic electoral ticket runs about 6,000 ahead of Blaine, and the Railroad Commissioners 10,000 behind.

Special to the Chronicle:

Cincinnati, Nov. 6, 3 a. m.—The confidence of the democrats here over the news of a democratic victory that was felt last night and this morning gave way somewhat as the day drew to a close the spirit of the republican became interested and to-night the town has been a perfect pandemonium. The confidence of the Democrats however, revived to-night when bulletins coming from Indiana and New York claiming their states for Cleveland by small Democratic plurality and up until midnight both parties were jollying. The Western Union Association Press bulletin was favorable to Blaine election, while the B. O. or the United Press at 11 p. m., gave it out from headquarters in New York that they would close to transmit bulletins on account of the inaccuracies of the Associated Press bulletin. Both parties upon the assurance of success from the best sources, however, continued to paint the town red up to an early hour.

Special to the Chronicle:

Special to the Chronicle:

Chicago, Ill.—Returns indicate Blaine's majority in the state is 15,000. Carter Harrison, democrat, candidate for Governor, has 12,000 majority in the city of Chicago and 9,000 in Cook county. In the 2d district Lawler, democrat, defeated Finerty, Republican for congress. In 3d congressional district Ward, democrat, defeated Mason republican. Both democratic gains.

Pittsburg, Pa., Nov. 6.—Times has received the following from New York: "Indications are that we have carried Indiana and Virginia which elects Blaine. New York still in doubt with chances in our favor."

(Signed) B. F. Jones, Chairman Republican Committee.

Special to the Chronicle:

Pittsburg, Pa., Nov. 6.—Twenty-second congressional Dist., Negy Republican, 18,292; Haskins Democrat 14,093.

Indianapolis, Ind., Nov. 6.—673 voting places show net republican gains of 5,208, indicating Blaine's plurality in the state for about 2,000.

Indianapolis, Nov. 5, 9:30 p. m.—The state yet doubtful, but indications favorable to the Republicans.

Raleigh, N. C.—Democratic majority 25,000 in the state. Democrats elect 8 out of 9 congressmen, a gain of 1. Harris, ed., is elected to Congress from second district.

Chicago, Ill.—Harrison, democrat for governor, carries Cook county by 6,000 majority. 485 precincts outside of Cook county show a democratic gain of 7,196 on basis of 3,400 precincts in the state. This would if ratio continued, give on whole state a democratic gain of 47,000 to meet the republican majority of 40,716 in 1880. The republican strongholds however are yet to hear from. The following Congressmen are elected: First District, R. W. Dunham, republican, 2nd, Lawrence, democrat, 3d, Ward, democrat, 4th, Adams, republican, 5th, Elwood, republican, 6th, Hill, republican, 7th, Henderson, republican, 8th, Plumb, republican, 9th, Payson, republican, 10th, Worthington, democrat, 11th, Pettie, republican, 12th, Riggs, democrat, 13th, Springer, democrat, 14th, Rowell, republican, 15th, Carnor, republican, 16th, McCartney, republican, 17th, Elden, democrat, 18th, W. D. Morrison, democrat, 19th, R. W. Townsend, democrat, 20th, Thomas, republican. The chairman of the state republican committee gives the state to Blaine by 25,000.

Late Rock, Ark. Nov. 6.—The Democratic majority in this State is upwards of 20,000 and all Democratic congressmen probably elected.

San Francisco, Cal., Nov. 6.—On basis of returns already received it is concluded that the republicans have carried the State by 6,000. The republicans elect three congressmen and the Democrats two a Republican gain of three, with one Dist. still to hear from.

London, Eng., Nov. 5.—The Standard speaks of the election of Cleveland as a welcome surprise. It remarks that it is absurd for Mr. Blaine's supporters to expect any one to believe their figures on the result. Had the Republicans selected a candidate of decent reputation the result would perhaps have been different. The Daily News thinks there is little doubt that Mr. Blaine has been elected. In a review of his career the News declares that even Mr. Gladstone's energy sinks into insignificance when compared with that of Blaine.

Denver, Col.—Democrats concede the State to republicans by 4,000 to 6,000 majority.

Richmond, Va., 12 m.—Half of State heard from. Indications democratic majority of 7,000. 8 out of 10 congressmen democratic.

Baltimore, Md.—Vote in Maryland was 17,295. Cleveland's plurality 10,886.

Albany, N. Y., 1 a. m.—The Albany Journal states that New York is still in doubt, and the official vote is needed to determine the result.

Buffalo, N. Y., 1 a. m.—The returns from Buffalo City complete give Blaine 18,578, Cleveland 17,546; Blaine majority, 972. For Congress, in the Thirty-second District Farquhar, Republican, received 17,609 and Lockwood, Democrat, 17,308. Erie county, including the city, gives Blaine 1,519 plurality, with three country precincts to hear from. Erie county elects three Democrats to the Assembly, Sheahan in the First, Giese in the Second and Jackson in the Fourth. The Republicans elect Hawkins in the Third and Krause in the Fifth. Blaine's majority in Montgomery is 210.

Milwaukee, Wis.—Returns are slow, but show Democratic gains on Garfield's majority of 8,000 in the city. The State is close. In the Fourth Deucher, Democrat, was defeated for re-election to Congress by Van Schack, Republican. The congressional delegation will be seven Republicans and two Democrats, a Republican gain of four. Returns from one-quarter of the precincts in the State show a net Democratic gain of 10,000. The same ratio in the State would give the State to Cleveland by 1,000. The Republican State Central Committee has reduced its claim of plurality to 5,000. The Democrats claim the State by 5,000.

Wilmington, Del.—The State goes 3,500 Democratic, a Democratic gain of 2,500 over 1880. Love, Democrat, is re-elected to Congress. Every Democrat for the Legislature is elected.

Wheeling, W. Va.—The latest returns show that the State is Democratic by less than 5,000. In the First Congressional District Goff, Republican, can, defeated Brannon, Democrat, by 800. All other Congressmen are Democratic.

Jackson, Miss.—Cleveland's majority in the State is 20,000. Chambers is defeated. Every congressional district is Democratic.

Des Moines, Iowa.—Blaine's majority in the State is over 25,000.

Atchison, Kans.—Latest indications gives the State to Blaine by 40,000 majority. The Legislature, which elects a United States Senator, will be Republican.

Virginia City, Nev.—The State is still in doubt. Cassidy, Democrat, is re-elected to Congress.

Milwaukee, Wis.—Both parties claim the State by a small plurality. The Republicans elect seven and the Democrats two Congressmen.

New York.—The Tribune says the latest advices from the New York State Democratic headquarters are that the State is Republican by about 2,000. Nearly every precinct is counted. The World says Blaine has been telegraphed to come to New York.

New York, 11 p. m.—Returns come in slowly. New York and Indiana are so close that the result can only be reached by the official count. The Democrats claim New York by 470 plurality. These figures are estimated from private telegrams received from districts not heard from. The Herald bulletin the following dispatch: "Albany, Nov. 4.—If the reported majority in New York and Kings county is maintained, we shall have the State by a safe majority. Signed by Daniel S. Lamont, Governor, Secretary."

The Times, Democrat, bulletinized that 1,851 districts in the State outside of New York City and Brooklyn show a Democratic gain which gives the State to Cleveland by 5,000 plurality.

New York.—A dispatch from Col. Halliday, of Indianapolis, says Indiana will give Blaine a plurality of 1,500.

Boston.—A special to the Globe from Augusta says Mr. Blaine is dangerously ill. He took to his bed this morning after scanning the returns during the night. He was soon found to be seriously indisposed, and his family physician was at once summoned. The latter ordered perfect quiet for Mr. Blaine, and John L. Stevens, his most intimate friend and co-worker, was the only person besides members of his family who has been allowed to speak to him. It is learned from indisputable authority that Mr. Blaine is in such a condition that it is absolutely impossible for him to speak aloud. He is completely prostrated, a severe cold upon his lungs adding greatly to his discomfort. John L. Stevens and Walker Blaine have been prostrating Mr. Blaine to-day. At 10 p. m. they claimed every Northern State except Connecticut. They claimed Virginia by 2,000 and New York by 12,000. Cyrus W. Field has sent a telegram of congratulation, and says Blaine is sure of 12,000 in New York.

San Francisco, 1 a. m.—The Republicans have carried Oregon by a small majority.

NOON.—One thousand four hundred and twenty-four voting places outside of New York City and Brooklyn give Blaine 327,799, Cleveland 278,202, a net Democratic gain of 11,128. There are 570 voting places to hear from. Cleveland's majority in New York City and Kings county, including Brooklyn, is 58,322.

In 1,296 precincts outside of New York and Brooklyn Blaine's majority is 44,699. In 1,344 districts outside of New York and Brooklyn Blaine's majority is 45,306.

In 1,379 precincts outside of New York and Brooklyn Blaine's majority is 46,255. In 1,415 precincts outside of New York and Brooklyn Blaine's majority is 49,070.

Four hundred and thirty-two districts outside of New York and Brooklyn give an average Republican majority of 85. If the remaining 564 districts do the same, it will give Blaine 197,400 majority, which, added to 49,988, his majority in the districts heard from, give him a majority of 69,778. Against this Cleveland has a majority of 57,938 in New York City and Kings county, making Blaine's majority in the State 1,174.

The result depends on Blaine's vote holding out in districts unreported.

Later—Returns show he is actually increasing his average majority.

One thousand six hundred and eighty-two districts outside of New York and Brooklyn give Blaine 375,200, Cleveland 337,221, Butler 10,314, St. John 196. Blaine's plurality is 57,979, which is 41 more than Cleveland's majority in New York City and Brooklyn, with 314 districts to hear from in the State.

New York, Nov. 5, 11 p. m.—The indications are at this hour that Blaine has carried the following States, which have a total electoral vote of 305, and his election seems assured: California, Colorado, Illinois, Iowa, Kansas, Maine, Massachusetts, Minnesota, New Hampshire, Nevada, Nebraska, New Hampshire, Oregon, Ohio, Pennsylvania, Rhode Island, Vermont, Wisconsin. The probability is that Blaine has also carried Indiana and possibly some of the other close States. Everybody seems to feel that it is pretty sure that Blaine has carried New York by 8,000 and Indiana by 1,500 to 2,500 and is elected.

TENNESSEE.—Eighth District, Lincoln county—Net Democratic gain, 71. Indications are that Kercheval, Democrat, for Senator, and Molman, Democrat, for Representative, will be elected. Returns slow.

Later—Lincoln county gives Reid 930, Bates 2,145, Cleveland 2,306, Blaine 880; Railroad Commissioners: Democrat 1,427, Republican 814. Five districts to hear from. Kercheval is elected to the Senate.

Crocket county gives Cleveland a majority of 200. For Congress, Glass, Democrat, has a majority of 196 over Etheridge, Clayburn, Democrat, for State Senator, has carried the county. Fletcher, Democrat, for Representative, has 220 majority.

Shelbyville.—This district gives Blaine 340, Cleveland 231. For Governor: Reid 886, Bates 210. For Congress: Warner, Republican, 369; Richardson, Democrat, 195; Martin, Independent, 632.

McMinnville.—Cleveland 1,113, Blaine 888. Eight of the fifteen districts heard from stand: For Governor: Bates 1,088, Reid 388. For Congress: Bates 1,088, Reid 388. Evans, Republican, 388. For State Senator, New Democrat, is elected. Railroad Commissioners are badly scratched.

How the News Was Received Here.

Clarksville Democrats were "down in the mouth" about midnight Wednesday. The over-partial Western Union bulletins at that hour indicated Blaine's election, and no news had been heard from other sources. The wailing hour was as quiet as it there had been no national election who had previous the midnight, who had been with eager hope, on the dispatches, went quietly home one by one, and tried to lose their disappointment in slumber.

Savage's ticket at Cedar Hill runs 82 votes behind the Democratic ticket, through the indefatigable energies of J. M. Speer, the railroad's friend. Everybody is happy and preparing for a big demonstration.

NEW JERSEY.—The Trenton Times estimates Cleveland's majority in New Jersey at 3,600, and probably carry the Legislature by 5 majority on joint ballot. The Senate is Republican by 1 majority.
